The Village of Skokie Beautification and Improvement Commission

The Commission assists the Mayor and Trustees in an advisory capacity on matters of community beautification and improvement.

ACTIVITIES INCLUDE:

- Designing, supporting and funding landscaping for Village parkways and public properties.
- Sponsoring the Annual Arbor Day observation, the Property Owner's Beautification Awards Ceremony and Clean-Up Week activities.
- Coordinating activities with the Skokie Garden Club and the Park District.
- Participating in the 4th of July Parade and Festival of Cultures.
- Selecting and displaying decorative banners along Village boulevards.
- Coordinating with the Skokie Department of Public Works and the Village Forester monitoring & maintaining the health of the Village's trees.

The Commissioners are appointed by the Mayor and approved by the Village Board of Trustees. Commissioners are unpaid volunteers who are Skokie residents. Projects supported by the Commission have, in part, been responsible for Skokie's designation as a Tree City by the National Arbor Day Foundation for over 30 years.

Dear Neighbors,

Each year the Beautification and Improvement Commission recognizes those property owners within the Village who make an exemplary effort to maintain the outside appearance of their properties. It is fitting that we acknowledge and pay tribute to those property owners who have made our Village sparkle a little more. The bestowal of this honor is one way the Village can say "Thank You" for your efforts, which are noticed and appreciated by your fellow citizens and neighbors in Skokie.

For enhancing the appearance of our community and setting an example for others to follow, we wish to publicly express our gratitude.

Sincerely,

George Van Dusen
Mayor
