5127 Oakton Street
Skokie, IL 60077

Dear Skokie Health Department & Volunteers,

We just wanted to take a moment to express our appreciation for your department's efforts in providing COVID-19 vaccination to our community. We've had several employees mention how orderly and efficient their vaccination appointments were.

When considering all the challenges involved in distributing the vaccine to our community, including cold storage, facilities, scheduling, documentation, volunteer management, traffic and crowd control, and all of the social distancing and safety measures required during the pandemic (I'm sure there are numerous other factors we are not aware of), coupled with the urgent need for expedient distribution, the vaccination clinics offered by SHD have been an impressive accomplishment.

On behalf of all our employees, thank you for your efforts!

Sincerely

Michael Melinger
