

Do you need a **PFIZER booster?**

**PLEASE READ:**

There are **NO Moderna Boosters** at this time.

**ONLY the following individuals can register for a **PFIZER booster** dose 6 months after their 2<sup>nd</sup> PFIZER dose.**

- Age 65 and older;
- Ages 18 through 64 who are at high risk because of serious medical conditions
- Ages 18 through 64 whose frequent institutional or occupational exposure to COVID-19 puts them at high risk of serious complications of COVID-19 including severe COVID-19.

**If you said yes to the above, you may register here:**

[PFIZER COVID-19 Clinics - Village of Skokie Health and Human Services - VH \(juvare.com\)](#)

**\*See other community vaccination options at Walgreens, CVS, some pop-up community clinics and more.**

**[Click Here for Step-by-Step Instructions on How to Register for a Village Vaccination Clinic \(PDF\)](#)**
