

Do you need a **third** dose of Moderna or Pfizer?

PLEASE READ:

You can ONLY register for a **third dose if you:**

- Been receiving active cancer treatment for tumors or cancers of the blood
- Received an organ transplant and are taking medicine to suppress the immune system
- Received a stem cell transplant within the last two years or are taking medicine to suppress the immune system
- Moderate or severe primary immunodeficiency (such as DiGeorge syndrome, Wiskott-Aldrich syndrome)
- Advanced or untreated HIV infection as evidenced by a CD4 count of less than 200 cells/mm³
- Active treatment with high-dose corticosteroids or other drugs that may suppress your immune response

If you said yes to the above, you may register here:
