

Village of Skokie

Program Overview

Since the start of the ComEd Energy Efficiency Program in 2008, our business and residential customers have saved more than \$6.4 billion on their electric bills and 59.4 million megawatt hours of energy - that's enough to power 6.8 million homes for a year. Our energy efficiency offerings are structured to ensure that all communities in our service territory benefit from participation.

Energy Efficiency Results for the Village of Skokie

1,800 Total Participants **\$343,500** In Total Savings

Residential Customers
